**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of Sonic and have been converted to fiber, which makes a great difference in service. Please do not restrict this service. We need the competition to keep prices low and service excellent. I switched from At&T because they were not providing the service I wanted; it was slow and expensive.

Competition is what makes our country great, not minimal service providers with inferior products
